

CURRICULUM VITAE

1. **NAME** : Professor, Dr. Ulmas Mirsaidov

2. **DATE OF BIRTH** : November 10, 1945

3. **NATIONALITY** : Tajik

4. **EDUCATION** : Higher

1962-1967, Master degree, Chemical-Technological Institute, Moscow, Russia, Diploma of Engineer-Technologist 1970-1973, Doctor Degree, Post-Graduate School of Moscow Institute of General and Inorganic Chemistry.

Moscow, Russia, Diploma of Candidate of Chemistry 1985, PhD, Moscow Institute of General and Inorganic Chemistry. Moscow, Russia, Diploma of Doctor of Chemistry

5. LANGUAGE & DEGREE

OF PROFICIENCY : Tajik: Mother - tongue

Russian: Fluent

English: Good

Persian: Fluent

6. MEMBERSHIP OF PROFESSIONAL SOCIETIES :

- 1) 1987-Corresponding Member of the Academy of Sciences of the Republic of Tajikistan (AS RT)
- 2) 1988 - Professor of Chemistry, Institute of Chemistry of AS RT.
- 3) 1993 - Academician of AS RT.
- 4) 1997 - Academician of the International Academy of Sciences, Industry, Education and Art (USA).
- 5) Member of the Chemical Society named after D.I.Mendeleev (Russia)
- 6) Member of the International Association of Academy of Sciences (CIS)
- 7) 1980-Young Tajikistan's Prize Winner.
- 8)1999- Order of "DUSTY" (Friendship) of the Republic of Tajikistan.
- 9) Chairman of the Tajik Chemical Society.
- 10) Deputy of the Dushanbe City Majlis. (2000-2005)
- 11) Deputy of the Majlisi Milly - Upper House of the Majlisi Oly (Parliament) of the Republic of Tajikistan and Chairman of the Committee of the Majlisi Milly on Social Problems, Science, Education, Women and Youth Problems. (2000-2005).
- 12) Chairman of the High Attestation Committee of the Republic of Tajikistan (2000-2005)
- 13) Chief Editor of the Journal "Reports of the Tajik Academy of Sciences". (1995-2005)
- 14) Chairman of the Council on Defense of the Ph.D. Thesis.
- 15) Chairman of the Council for Coordination of the Scientific and Technological Co-operation of the Republic of Tajikistan.(1995-2005)
- 16) Chairman of the Commission of the Republic of Tajikistan on Co-operation with International Atomic Energy Agency (IAEA).
- 17) Vice-Chairman of the National Committee of UNESCO in Tajikistan
- 18). Vice-President of the International Association of the Academy of Sciences

8. COUNTRIES OF WORK EXPERIENCE : Tajikistan, Russia**9.EMPLOYMENT RECORD**

From: 2005	To- present time
Employer	Director Nuclear and Radiation Safety Agency
From: 1995	To-2005
Employer	Academy of Sciences of the Republic of Tajikistan (AS RT)
Position Held and	President of the Academy
Description of Duties	Running of the Academy
From: 1988	To - 2004
Employer	Institute of Chemistry of AS RT
Position Held and	Director
Description of Duties	Running of the Institute
From: 1978	To-1983
Employer	Institute of Chemistry of AS RT
Position Held and	Head of the Department
Description of Duties	Running of the Department
From: 1973	To-1978
Employer	Institute of Chemistry of AS RT.
Position Held and	Sen. Research Worker
Description of Duties	Research work
From: 1970	To-1973
Employer	Institute of Chemistry of AS RT
Position Held and	Jun. Research Worker
Description of Duties	Research work

10. OTHER DATA:

- 1962 - 1967 Student of the D.I.Mendeleev Moscow Chemical Technological Institute.
- 1968 - 1969 Assistant in the Chair of Chemical Technology of the Tajik Polytechnic Institute (present Tajik Technical University).
- 1970 - 1973 Post-graduate student in the N.S.Kurnakov Institute of General and Inorganic Chemistry of the Academy of Sciences of the USSR.
- 1973 Defense of the PH.D. thesis
- 1974-1975 Junior Research Scientist in the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.
- 1975 - 1978 Senior Research Scientist in the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.
- 1977 Interbranch Meeting on Power-Intensive Substances (Novosibirsk), reporter.
- 1978 Head of the Laboratory of Inorganic Hydrides of the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.

- Was elected the Chairman of the Young Scientists Council of the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.
All-Union Meeting «Synthesis and Physicochemical Properties of Hydrides of Transition Metals» (Moscow), reporter.
Interbranch Meeting on Power-Intensive Substances (Riga), reporter.
- 1979 Was elected the Chairman of Young Scientists Council of the Academy of Sciences of Tajikistan. Interbranch Meeting on Power-Intensive Substances (Leningrad), reporter.
- 1980 Traveled to Bulgaria as the Representative of the International Youth Organization.
Was awarded the Prize of Lenin Komsomol.
All-Union Conference on Synthesis of Inorganic Compounds in Non-Aqueous Spheres (Ivanovo), reporter.
Interbranch Meeting on Power-Intensive Substances. Defense of the Report on Yashma - U – 76 (Moscow), reporter.
- 1982 Had been awarded the Medal "Inventor of the USSR"
International Indo-Soviet Seminar on Radiospectroscopy (Dushanbe), reporter.
VII All-Union Conference on Thermal Analysis (Kuibyshev), reporter.
- 1983 Deputy Director on Science of the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan
Interbranch Meeting on Power-Intensive Substances of NGO "Union" (Moscow), reporter.
- 1983 - 1991 Vice-president of the Tajik Branch of the D.I.Mendeleev All-Union Chemical Society.
- 1985 Defense of Postdoctoral Thesis.
Was awarded the Silver Medal "For the Achieved Successes" of National Economy Achievements Exhibition of the USSR
Organizing Committee of the All-Union School of Inorganic Chemistry (Dushanbe), Chairman.
XV All-Union Chugayevskiy Meeting on Chemistry of Complex Compounds (Kiev), reporter.
- 1985 - 1990 Member of Specialized Council on Graduation of the Academic Degree of the Ph.D of Chemistry at the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.
- 1986 Was awarded the Diploma of the D.I.Mendeleev All-Union Chemical Society.
All-Union Meeting on Thermal Analysis (Uzhgorod), reporter.
Interbranch Meeting on Thermal Analysis and Power-Intensive Substances. Defense of the Report on "Yauza-80", reporter.
- 1987 Organizing Committee of the All-Union Meeting on Chemistry of Inorganic Hydrides (Dushanbe), Vice-President.
Had been elected the Corresponding Member of the Academy of Sciences of Tajikistan.
VI All-Union Meeting on Chemistry of Non-Aqueous Solutions of Inorganic and Complex Compounds (Rostov-na-Donu), reporter.
VI All-Union Meeting "Chemistry and Technology of Inorganic Boron Compounds" (Yurmala), reporter.
- 1988 Had been elected the Director of the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of Tajikistan.
Had been given the academic status of Professor by the Decision of Highest Attestational

Commission

- All-Union Seminar @Mechanical Synthesis in Inorganic Chemistry" (Dushanbe), Chairman of the Organizing Committee.
- Ail-Union Meeting "Spectroscopy of Coordinational Compounds" (Krasnodar), reporter.
- VII All-Union Meeting on Physico-Chemical Analysis (Frunze), reporter.
- XII Ail-Union Meeting on Calometry and Chemical Thermodynamics (Gorky), reporter.
- 1990 International Conference on Boron - IMEBORON - VII (Torup, Poland), reporter.
- Interbranch Meeting on Power-Intensive Substances (Navoi), reporter.
- 1991 Vice-president of the Organizing Committee of All-Union Conference on Chemistry of Hydrides (Dushanbe).
- The Chairman of the Examination Council D 013.02.01. for defense of Post-Doctoral Thesis at the V.I.Nikitin Institute of Chemistry of the Academy of Sciences of the Republic of Tajikistan.
- International Scientifico-Technical Conference "Technical Systems and Socio - Legal Principles of Ecological Safety" (Leningrad).
- All-Union Conference "Cluster Materials" (Izhevsk), reporter.
- All-Union Conference on Colloidal - Chemical Problems of Ecology (Ashkhabad), reporter.
- International Symposium on Plazmochemistry (Riga), reporter.
- 1993 Had been elected the Full Member (Academician) of the Academy of Sciences of the Republic of Tajikistan.
- 1994 Research Conference devoted to the life and activity of the academician I.U.Numonov (Dushanbe), reporter.
- 1995 Visited India as the member of Governmental Delegation.
- Visited Islamic Republic of Iran as the member of Governmental Delegation.
- Visited the United Arabian Emirates as the member of Governmental Delegation.
- Visited Russian Federation as the member of Governmental Delegation.
- Visited the United States of America as the member of Delegation on Examination of the project for Joint Enterprise "Zarafshon"
- Was elected the President of the Academy of Sciences of the Republic of Tajikistan¹.
- Had been awarded the Avicenna Readings Diploma for presentation of "Investigations on Technological Resources for Processing of Tajikistan's Mineral Raw Material" in Avicenna Readings at the Faculty of Chemistry of the V.I.Lenin Tajik State University.
- International Symposium devoted to the 680th anniversary of Mir Said Ali Hamadoni, organized by the Academy of Sciences of the Republic of Tajikistan (Dushanbe), reporter.
- Jubilee Scientific Session devoted to the 150th anniversary of Abay Kunanbaev (Alma-Ata), reporter.
- 1996 Visited the United States of America as the member of Delegation for Assesment of Opportunity to construct a plant producing coagulants for water purification.
- Visited the Islamic Republic of Iran as the member of scientific delegation of the Academy of Sciences of the Republic of Tajikistan to sign the Agreement on Scientifico-Technical Cooperation with A.Firdavsi Mashhad University.
- Have participated in the International seminar "Patent System and the System of Copyrights Protection of Scientists and Scientific Organizations: Practical Problems" (Kiev).

- Jubilee Session devoted to the 50th anniversary of the Academy of Sciences of the Republic of Kazakhstan, reporter.
- Jubilee Session devoted to the 55th anniversary of the Academy of Sciences of Georgia (Tbilisi), reporter.
- 1997 Had been elected the Full Member (Academician) of the International Academy of Sciences for Industry, Education and Culture (California, USA).
Took part in the Days of Tajikistan's Culture in Moscow.
Interstate Meeting on Problems of Attestation of Scientists (Alma-Ata), reporter.
International Seminar "Use of Patent Information in Elaborations and Investigations" (Kiev), reporter.
- 1998 International Conference "Plasma Physics and Plasma Technologies" (Minsk), reporter.
Visited the Islamic Republic of Iran to sign the Agreement on Scientifico-Technical Cooperation with University of Sheroz.
International Seminar "Objects of the Intellectual Property: Matters of Licensing" (Kiev), reporter.
International Seminar on Protection of Environment (Islamabad, Pakistan), reporter.
International Seminar on Mountain Problems (Bishkek), reporter.
International Symposium "Metal lohydride Systems" (Peking, China), reporter.
International Conference "Processing Materials with Hydrogen" (Donetsk), reporter.
UNESCO Regional Conference "Fundamental Sciences on Service of Society: Opportunities and Prospects for Cooperation in Central Asia" (Tashkent), reporter.
Celebrations devoted to 80th anniversary of the National Academy of Sciences of Ukraine and to 5" anniversary of the International Association of Academy of Sciences (Kiev), reporter.
Celebrations devoted to 50th anniversary of the Ministry of Science and Technology of Russian Federation (Moscow), reporter.
- 1999 Visited Iran as the member of Delegation for Familiarization with the Academy of Sciences Of Iran.
Visited the Republic of India to participate in celebration of 90th anniversary of the Tajik Academician B.Gafurov.
Visited Astana to participate in the work of Meeting of State Presidents' Council as the member of Tajikistan's delegation (Astana, Kazakhstan).
Visited the IV session of Intergovernmental Commission on Economic Cooperation between Russian Federation and the Republic of Tajikistan as the member of the Delegation of the Republic of Tajikistan (Saratov).
Visited Vietnam as the member of Governmental delegation.
Visited Russian Federation as the member of the Tajik Governmental Delegation headed by the President of the Republic of Tajikistan.
Had been awarded the "Dusti" Order
World Congress on Science (Budapest, Hungary), reporter.
International Seminar "Mountains of Central Asia: Regional Aspects", reporter.
International Seminar "Illicit Trafficking of Nuclear and other Radioactive Materials" (Alma-Ata), reporter.
International Symposium "Samanid's Dynasty and Revival of Tajik Culture" (Dushanbe), reporter.
International Conference "Mountain Regions of Central Asia: Problems of Sustainable Development" (Dushanbe), reporter.

International Practice-Scientific Conference "Market Economy and Strategy of Safe Development of a Person" (St.-Petersburg), reporter.

International Scientific Conference devoted to the 1100th Anniversary of Formation of the Samanid's State (St. Petersburg), reporter.

Celebrations devoted to the 275th anniversary of the Russian Academy of Sciences, reporter.

Celebrations devoted to the 100th anniversary of Jambul Jaboev (Kazakhstan), reporter.

VI International Conference on Water Power Engineering (Katinvelli, Crimea), reporter.

2000

Had been elected the Urban Deputy of Dushanbe-city Majlis.

Had been elected the Deputy of the Majlisi Milli (Upper House) of the Majlisi Oli (Parliament) of the Republic of Tajikistan.

Had been elected the Chairman of the "Commission on Social Problems, Health Protection, Science, Education, Culture and Policy among the Youth and Women in Society" of Majlisi Milli of Majlisi Oli of the Republic of Tajikistan

Had official visit to the Russian State Duma as the member of Tajik Parliament's Delegation

II International Conference "Noble and Rare Metals" (Donetsk - Svyatogorsk), reporter.

II International Conference on New Materials (Santa Barbara, USA), reporter.

World Congress "Results of Millennium" (St. Petersburg), reporter.

II Session of Council on Mutual Acceptance and Equivalence of Documents on Education, Scientific Degrees and Ranks (Minsk), reporter.

International Congress "Science and Education on the Threshold of III Millennium" (Minsk), reporter.

IAEA International Seminar on Illicit Trafficking (Vienna, Austria), reporter.

International Seminar on Acquaintance with IAEA Activity on Guarantees (Tashkent), reporter.

International Conference on Protection of Objects of Intellectual Property (Kiev), reporter.

V Session of Interstate Commission on Scientific and Technical Progress (Minsk), reporter.

2001

Was elected the Vice-President of the International Association of Academies of Sciences of CIS countries.

World Mountain Symposium on Sustainable Development (Switzerland), reporter.

Second General Assembly of the Association of Academies of Sciences of Asian Countries; participated in the work of International Symposium "Transfer and Adaptation of Advanced Technologies in Asia" (Novosibirsk), reporter.

Session of Council on Mutual Acceptance and Equivalence of Documents on Education, Scientific Degrees and Ranks, Member of the Council (Cholpon-Ata).

Conference on Safety of Nuclear Materials (Stockholm, Sweden), reporter.

International Symposium devoted to the 2700th anniversary of Avasto (Dushanbe), reporter.

International Symposium "The Role of International Organizations in the development of Science and Technology in Europe" (Kiev), reporter.

International Conference "Water Resources of Central Asia and their Rational Utilization", Vice-president of Organizing Committee (Dushanbe), reporter.

International Conference "Education and Science of XXI Century: Sight in the Future" (Alma-Ata), reporter.

International Conference on Hydrogen Power Engineering, Member of Organizing Committee (Alushta), reporter.

Regional Seminar "The Outstanding People of Central and Southern Asia towards the World

Summit on Sustainable Development in Johannesburg in 2002" (Bishkek), reporter.

Seminar on Sustainable Development of Mountain Territories of Central Asia under the ADB Project (Alma-Ata), reporter.

Jubilee Conference "Economy of Tajikistan during 10 Years of Independence" (Dushanbe), reporter.

World Mountain Symposium on Sustainable Development (Switzerland), reporter.

2002 Seminar on Safeguards Agreement and Additional Protocols, January 29 - 30, 2002, Almaaty, Kazakhstan, reporter.

Meeting of Interstate Panel of Euro-Asian Economical Community, Moscow, Russia, February 25-27, 2002, reporter.

Had visited Headquarters of International Atomic Energy Agency, Vienna, Austria, March 5-10, 2002

Conference on Illicit Trafficking of Nuclear and Radioactive Materials, Alma-Ata, Kazakhstan, March 12-14, 2002, reporter.

International Seminar "Indo-Tajik Cooperation in the Period of Independence", May 13-14, 2002, reporter.

Meeting on Safety and Security of Radiation Sources and Installations, Vienna, Austria, May 27- 29, 2002, reporter.

Meeting of the Council of Heads of NIS Governments, May 30, 2002, Moscow, Russia, reporter.

V Meeting of the Council on Mutual Recognition and Equivalence of Documents on Education, Scientific Degrees and Ranks at Integration Committee of Euro-Asian Community, Dushanbe, Tajikistan, June 17-19, 2002, reporter.

International Symposium "Sustainable Development - Opportunities and Challenges", Urumqi, China, June 22-24, 2002, reporter.

International Conference on Chemical Thermodynamics, St.-Petersburg, Russia, July 1-5, 2002, reporter.

II Conference of the Party of National Unity and Revival of Tajikistan, July 13, 2002, Dushanbe, Tajikistan, delegate.

II Eurasian Conference on Nuclear Science and its Application, September 16-19, 2002, Almaty, Kazakhstan.

2003

Participant of the Consultative Meeting of INIS Liaison Officers – International Nuclear Information System, Vienna, Austria.

Participant of Technical Meeting: Nuclear Safety, Vienna, Austria.

Report presentation, Symposium: Science, Religion and Valuables, Trieste, Italy.

Report presentation, Regional seminar: Support of entrepreneurship and innovation activity, Kiev, Ukraine.

Visit to Iran. Familiarization with infrastructure of regulatory authority in the field of nuclear and radiation safety.

Visit to Syria. Familiarization with activities of Atomic Energy Committee.

Deputy-Chairman of the Organizing Committee, International Conference: Water resources of Central Asia and their rational utilization, Dushanbe, Tajikistan.

Participant of the Regional Seminar: Outstanding People of Central Asia towards World-Wide Summit on Sustainable Development in Johannesburg in 2002, Bishkek, Kyrgyzstan.

Participant of the Seminar: Sustainable Development of Mountainous Territories and South Asia, Dushanbe, Tajikistan.

Report presentation, Jubilee Conference: Tajikistan economy after 10 years of independence, Dushanbe, Tajikistan.

Visit to Saudi Arabia as Governmental delegation member.

Participant of International Conference: Access Expansions to Social Services in Countries with Transition Economy, St.-Petersburg, Russia.

International Association of the Academy of Sciences (IAAS) diploma was awarded for promotion of science development.

Elected as Full Member of Third World Academy of Sciences (TWAS) for distinguished contribution to science.

Participant of the Conference: National System of Nuclear Safety, Abu Dhabi, United Arab Emirates.

Chairman of the Organizing Committee, Scientific Conference: 90 anniversary of D.Rasulov.

Appointed as authorized representative on ISTC projects (International Science and Technology Center) in Tajikistan.

Appointed as the member of ISTC Coordination Council.

Appointment confirmed as Chairman of Thesis Council on Doctoral Theses under Institute of Chemistry AS RT.

II Conference of the Party of National Unity and Revival of Tajikistan, July 13, 2002, Dushanbe, Tajikistan, delegate.

II Eurasian Conference on Nuclear Science and its Application, September 16-19, 2002, Almaty, Kazakhstan.

2004

Elected as the member of ISTC Board of Governors.

Participant of the 33rd Meeting of ISTC Board of Governors, Moscow, Russia.

Participant of the International Conference: Global Threat Reduction, Vienna, Austria

Report presentation at the Workshop: Search and Secure of orphan radioactive sources, Vienna, Austria.

Participant of International Conference in honor of 80th anniversary of Dushanbe: Dushanbe since earliest times till present, Dushanbe, Tajikistan.

Gold medal of Armenian Academy of Sciences was awarded for valuable contribution to the development of international scientific cooperation.

The parliament of the country upon legislative initiative of Messrs. U.Mirsaidov and D.R.Sanginov adopted Law of the Republic of Tajikistan "On utilization of atomic energy", 25 November 2010.

2005

IAEA Scientific Visit to the Islamic Republic of Iran and to the Russian Federation for familiarization with International Nuclear Information Centers (INIS).

Participant of International Symposium: Sustainable Development, Seoul, Korea.

Participant of Technical Meeting: Nuclear Safety, Vienna, Austria.

Report presentation at the International Conference: Security and safety of radioactive sources towards global system for permanent control of sources during their life cycle, Paris, France

Report presentation at the International Symposium: Remediation of uranium industry residues, Vienna, Austria.

Participant of ISTC Board of Governors Meeting, Almaty, Kazakhstan.

Report Presentation, International Symposium, Uranium raw material and production of different nuclear fuel cycle: Supply, Demands, Economy, Environment and Energy Safety, Vienna, Austria.

Participant of the Technical Cooperation Meeting, Vienna, Austria.

Report presentation at the International Conference: Hydrogen material sciences and metals hydrides chemistry, Sevastopol, Ukraine.

Honorary diploma of International Conference “Hydrogen material sciences and metals hydrides chemistry” was awarded for valuable contribution in development of hydrogen energetic.

IAEA Scientific Visit to Vilnius for familiarization with regulatory authority infrastructure on radiation safety.

IAEA Scientific Visit to Prague for familiarization with regulatory authority infrastructure on radiation safety.

Participant of international conference: Nuclear and Radiation Physics, Almaty, Kazakhstan.

Head of the Republic of Tajikistan’s delegation for the workshop: Weapons of Mass Destruction non-proliferation, Budapest, Hungary.

Appointment was confirmed by the order of Russian Federation High Attestation Committee on doctoral and PhD theses for new term.

Participant of the workshop: IAEA Technical Cooperation, Kiev, Ukraine.

2006

Report presentation at the Technical Meeting: Nuclear Knowledge Preservation in CIS countries

Report presentation at the international conference: Effective regulating system of nuclear safety and security, Moscow, Russia.

Participant of the Technical Meeting: Illicit Trafficking of Nuclear Materials, Vienna, Austria.

Participant of the Regional Meeting on Technical Cooperation, Vienna, Austria.

IAEA Scientific Visit to Chemnitz, Germany for familiarization with LLC “Wismut”’s objects and industrial areas remediation.

Report submission to the IV Euroasian conference: Nuclear science and its application, Baku, Azerbaijan.

Report presentation at the international workshop: Nuclear knowledge preservation, Sevastopol, Ukraine.

Director, IAEA Regional Training Course: Safe Management of residues from former Uranium mines and milling activities in Central Asia, Chkalovsk, Tajikistan.

Report presentation at the International Symposium on Safeguards: Topical inspection problems, Vienna, Austria.

Participant of the workshop: Treatment with spent sealed radioactive sources, Moscow Russia.

Report presentation at the Second Session of Experts Group: Monitoring of contaminated scrap metals, Geneva, Switzerland.

Director, IAEA Regional Training Course: “IAEA Safeguards Activities for States with Comprehensive Safeguards Agreements and with Small Quantities Protocols, Chkalovsk, Tajikistan.

Report presentation at the Meeting: UN1540 resolution fulfilment – non-proliferation of weapons of mass destruction, Almaty, Kazakhstan.

Report presentation at the international symposium: Nuclear facilities decommissioning, Athens, Greece.

Report presentation at the Joint Convention on the safety of spent fuel management and on the safety of radioactive waste management, Vienna, Austria.

2007

Participant of the regional meeting on technical cooperation, November, IAEA Headquarters, Vienna, Austria.

Participant of the regional workshop for development of national response system at radiological accidents, September, Nicosia, Cyprus.

Elected as Council member on cooperation in the field of atomic energy use in peaceful purposes at the integration Committee of EurAzES.

Participant of the Council Meeting on cooperation in the field of atomic energy use in peaceful purposes – EurAzES, August, Angarech, Russia.

Participant of the regional workshop №5: Safe management of residues from former Uranium mines and milling activities in Central Asia, November, Almaty, Kazakhstan.

Chairman of the Workshop: Safe management of residues from Uranium Mines and Milling Activities in Tajikistan. Joint workshop with OSCE, June, Dushanbe, Tajikistan.

Participant of the regional workshop: Control of Public Exposure, June, St-Petersburg, Russia.

Participant of the 10th International Conference: Hydrogen Materials Science and Chemistry at Carbon Nanomaterials, September, Sudak, Crimea, Ukraine.

Participant of the 36th meeting of ISTC Coordination Council, December, Moscow, Russia.

IAEA Scientific Visit to Ukraine and Czech Republic for familiarization with issues of remediation and conservation of uranium industry residues, October.

Chairman, International Workshop: Coordinating Efforts to Combat the Illicit Trafficking of Nuclear and Other Radioactive Materials in Central Asia, 7-9 November, Dushanbe, Tajikistan.

2008

Participant of the regional workshop: Control of Public Exposure, January, Vienna, Austria.

Chairman, Regional workshop: Authorization (siting, design, operation, shut down and decommissioning) of Centralized Storage Facilities for Radioactive Waste, 3-7 November, Dushanbe, Tajikistan.

Chairman, Regional Workshop: Safe Management of Residues from Former Mining Milling and Mining Activities in Central Asia, 17-21 November, Dushanbe, Tajikistan

Participant of IAEA 52nd General Conference, September, Vienna, Austria.

Participant of the Workshop: Regulatory authorities infrastructure strengthening, November, Oslo, Norway.

Participant of the Workshop: Disposal of radioactive wastes, October, Vilnius, Lithuania.

Report presentation at the Conference: Hygienic aspects of ensuring public's radiation protection living close to the contaminated territories, September, St-Petersburg, Russia.

Participant of EurAzES Meeting on peaceful use of atomic energy, August, Bishkek, Kyrgyzstan.

Participant of the 2nd regional coordination meeting on national response system in case of nuclear and radiological accidents, May-June, Vienna, Austria.

Participant of the workshop on radioactive wastes, March, Istanbul, Turkey.

2009

“Abu-Ali-Ibn-Sino” State Prize of the Republic of Tajikistan in the field of science and technique was awarded.

IAEA Scientific visit to Kiev and Minsk for familiarization with Ukrainian and Byelorussian regulatory authorities' infrastructure, August.

Plenary report presentation at the International workshop “Hydrogen material sciences and carbon nanomaterials chemistry”, August, Yalta, Crimea, Ukraine.

Chairman, International Workshop: Rehabilitation methods and aims of regulatory authorities at preparation and execution of works on rehabilitation of old radiological contaminations from mineral resource industry, with participation of representatives from Germany, Kazakhstan, Georgia, Bulgaria, Russia, Ukraine, December, Dushanbe, Tajikistan. Academy of Sciences RT’s Medal of Honor was awarded.

Participant of the Workshop: Illicit Trafficking of Nuclear Materials and Safety Culture, September, Almaty, Kazakhstan.

Participant of the International conference: Nuclear Energy in XXI century, April, Beijing, China.

Report presentation at the International conference: Control of contaminated scrap metal, February, Tarragona, Spain.

Report presentation at the Workshop: National Systems of personnel training in the field of atomic energy, May, Köln, Germany.

Participant of the Workshop: Uranium industry residues in Central Asia, May and November, Vienna, Austria.

Participant of the Workshop: Technical Cooperation Strategy, June, Vienna, Austria.

Chairman of the Workshop: Control and management of contaminated scrap metal. July, Dushanbe, Tajikistan.

Report presentation at the International Conference: Remediation of territories contaminated by radioactive materials residues, Almaty, Kazakhstan.

Organizer of the regular meeting on cooperation in the field of atomic energy use in peaceful purposes – EurAzES, November, Dushanbe, Tajikistan.

2010

Participant of the Workshop: Technical Cooperation Strategy, February, Vienna, Austria.

Chairman, International Workshop: Addressing the Issue of Potential Terrorism and Guarding against Weapons of Mass Destruction in Central Asia, 12-13 April, Dushanbe, Tajikistan

Participant of the EurAzES meeting, May, Almaty, Kazakhstan.

Report presentation at the 10th International Conference, Sakharov Readings 2010: Ecological problems of XXI Century, May, Minsk, Republic of Byelorussia.

Participant of the Workshop: Radioactive sources safety during operation, June, St-Petersburg, Russia.

Director, IAEA Training Course: Waste Management Operators on Radioactive Waste Management-Pre-Disposal Technologies, 26-30 July, Dushanbe, Tajikistan.

Chairman, International IAEA Workshop under the RER/3/010 project: Institutional Controls as an Interim Risk Mitigative Measure, July, Chkalovsk, Tajikistan.
