

Curriculum Vitae

General

First name: Khudoyberdiyev

Surname: Abror

Sex: Male

Date of birth: 1985, September 19

Place of birth: Tashkent, Uzbekistan

Nationality: Uzbek

Citizenship: Uzbekistan

Marital status: married, two children.

Official address: Department of Algebra and Functional Analysis,
National University of Uzbekistan,
4, Talabalar Street, Tashkent, 100174, Uzbekistan.
Phone: 998-71-227-12-24, Fax: 998-71-246-02-24

Private address: 5-14, Lutfiy Street, Tashkent city, Uzbekistan,
Phone: 998-97-422-00-89 (mobile),
E-mail: khabror@mail.ru

Education:

2008-2010 Institute of Mathematics and Information Technologies of
Uzbek Academy of Sciences, Uzbekistan, PHD student;

2005-2007 National University of Uzbekistan, master student;

2001-2005 National University of Uzbekistan, bachelor student.

Languages: English (good), Russian (good), Uzbek (native),

Academic Degrees:	Doctor of Sciences in physics and mathematics 28.04.2016, Tashkent, Uzbekistan, Dissertation title: Structural theory of finite - dimensional complex Leibniz algebras and classification of nilpotent Leibniz superalgebras. Scientific adviser: Prof. Sh.A. Ayupov;
	Doctor of Philosophy in physics and mathematics (PhD) 28.10.2010, Tashkent, Uzbekistan, Dissertation title: The classification some nilpotent finite dimensional graded complex Leibniz algebras. Supervisor: Prof. Sh.A. Ayupov;
	Master of Science, National University of Uzbekistan, 05.06.2007, Tashkent, Uzbekistan, Dissertation title: The classification filiform Leibniz superalgebras with nilindex $n+m$. Supervisor: Prof. Sh.A. Ayupov;
	Bachelor in Mathematics, National University of Uzbekistan, 20.06.2005, Tashkent, Uzbekistan, Dissertation title: On the classification of low dimensional Zinbiel algebras. Supervisor: Prof. I.S. Rakhimov.

Professional occupation:

June of 2017 - up to present time	Professor, department Algebra and Functional Analysis, National University of Uzbekistan. Senior Scientific Fellow, Institute of Mathematics.
2016 – 2017	Dean of the faculty of Mathematics, National University of Uzbekistan.
2015 – 2016	Associate Professor, department Algebra and Functional Analysis, National University of Uzbekistan.
2012 – 2014	Senior Scientific Fellow, Institute of Mathematics.
2010 – 2012	Postdoctoral, Institute of Mathematics, National University of Uzbekistan (former Institute of Mathematics and Information Technologies of Uzbek Academy of Sciences), Uzbekistan
2008 – 2010	Scientific Fellow, Institute of Mathematics and Information Technologies of Uzbek Academy of Sciences (Tashkent), Uzbekistan

Visits:

1. University of Santiago de Compostela, Spain, 01.10.2018 – 30.10.2018 (Abel Visiting Scholar Program, IMU);
2. TWASROCASA Regional Conference of Young Scientists on "Frontiers in Scientific Research", Bangalore, India, 21.12.2015 – 22.12.2015.
3. TWAS 25th General Meeting, Muscat, Sultanate of Oman, 25.10.2014 – 29.10.2014.
4. University of Seville, Spain, 03.10.2014 – 25.11.2014 (for discussion results);
5. International Congress of Mathematicians, Seoul, Korea, 13.08.2014 – 21.08.2014.
6. Institute for Mathematical Research(INSPEM), Universiti Putra Malaysia (UPM), Malaysia, 05.09.2013 – 03.10.2013 (for discussion results);
7. University of Santiago de Compostela, Spain, 16.11.2012 – 14.12.2012 (for discussion results);
8. Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore, India, 20.09.2007 – 17.12.2007 (The project of TWAS).

Research field: Non associative algebras, Lie algebras, Leibniz algebras, Leibniz superalgebras, n-Leibniz algebras, structure theory of algebras, algebraic geometry, cohomology of algebras, evolution algebras.

Other activities:

2016 - till present time	Member of the Special Council 16.07.2013.FM.01.01. to confer academic degrees Doctor of Philosophy and Doctor of Sciences in physics and mathematics, National University of Uzbekistan.
2015 - 2016	Scientific Secretary of the Special Council 16.07.2013.FM.01.01. to confer academic degrees Doctor of Sciences in physics and mathematics, National University of Uzbekistan.
2013 - till present time	Member of Uzbek Mathematical Society
2013 - till present time	Secretary of scientific seminar under the Special Council 16.07.2013.FM.01.01. to confer academic degrees Doctor of Sciences in physics and mathematics, Institute of Mathematics.
2013 - till present time	Member of American Mathematical Society.
2011- till present time	Secretary of scientific seminar “Operator algebras and its Applications” at Institute of Mathematics.
2010-till present time	Reviewer of American Mathematical Society

2011- 2012	Secretary of scientific seminar under the Special Council D015.17.01 to confer academic degrees of Doctor of Philosophy in physics and mathematics (Ph.D.) and Doctor of Sciences in physics and mathematics, Institute of Mathematics.
------------	---

Awards:

- The Supreme Attestation Committee of the Republic of Uzbekistan award with Diploma of the scientific title Docent of Algebra, 28.06.2018;
- The Turkic World of Mathematical Society awards “For the best science Research”, Astana, Kazakhstan, 2017;
- TWAS Young Affiliate, Trieste, Italy for 2014-2018 years;
- Head of the project OT-F4-87 – “The global invariant theory of curves and surfaces of Euclidean and Pseudo-Euclidean spaces and their applications of mechanics”, 2017-2018;
- The award of “The most active young scientists of Uzbekistan for 2016 year”;
- Head of the project EF4-4 “Classification of Leibniz algebras associated with the representation of Lie algebras”, 2016-2017;
- Head of the project EF4-OT-0-20581 “Infinitesimal deformations of solvable Leibniz algebras”, 2014-2015;
- Head of the project FE4-FA-F016 “Semi-simple Leibniz superalgebras and their derivations”, 2012-2013;
- The award of “The best talk among young scientists of Uzbekistan for 2011 year”;
- Fellowship of “Qori Niyoziy” center fellowship for PhD students, 2009;
- Fellowship of Grant PRJ-24, Functional Analysis and Applications, ICTP, Trieste, Italy 2001-2010, (for 2006-2007 years).
- Fellowship of “Qori Niyoziy center” for Master students, 2006;
- Fellowship of “S.H.Sirojiddinov” for Master students, 2005.

Supervisor for Masters:

1. Saidvaliev Mirjalol Qodirjon ogli, Master student, 2015, title of thesis: "Representations of finite dimensional Leibniz algebras";
2. Aliboeva Nilufar Iskandar kizi, Master student, 2017, title of thesis: "The classification of orbit closures an algebra $M_2(C)$ in the variety of four dimensional algebras";

Member of Organizer Committee of Conferences:

- CIMPA Research School in Uzbekistan “Nonassociative algebras and Applications”, 10-21 September, 2018, Tashkent, Uzbekistan;
- International Conference “Problems of Modern topology and its Applications”, 11-12 May, 2017, Tashkent, Uzbekistan;
- International Conference “Problems of Modern topology and its Applications”, 5-6 May, 2016, Tashkent, Uzbekistan;

- Secretary of the Conference “Applied mathematics and information security”, 28-30 April, 2014, Tashkent, Uzbekistan.
- Secretary of the International Conference “Problems of modern topology and Applications”, 20-24 May, 2013, Tashkent, Uzbekistan.
- Secretary of the International Conference “Operator algebras and related topics”, 12-14 September, 2012, Tashkent, Uzbekistan.
